Tuesday 18 November

13:00

Arrival and Registration
Refreshments and light snacks

14:00

Safety Workshop Part I

*Presented by: **John Campen**, Director, Xtec Asia*

Safety – Compliance – Cargo Security – Cost Effective

- Site Visit Safety: Chemical plants and tank depots
- Ensuring tanks are always compliant by using qualified competent service providers. (Depot Audits and Service level Agreements)
- Product Husbandry – SDS Learning, a brief overview of best practices and the many challenges. (e.g. fake SDS's, missing info, other resources)
- Examples of non-compliance and major incidents
- Incidents – how a price driven business model over a value driven business model is a key contributing root cause factor of many customer complaints and incidents.
