

ITCO Membership Criteria

A Company applying to join ITCO needs to meet the following criteria:

1. Evidence of a verifiable document showing that Health and Safety training is given to staff
2. Details of the length of time in the tank container business
3. Signature of the ITCO Code of Conduct document – shown below
4. Background information about the company, including annual turnover.

Division-specific criteria: In addition to these four criteria, the Company must meet the criteria relevant for the Division that it wishes to join. There are four Divisions, with the criteria for each Division as follows

Division	Subject	Criteria
Tank Service Providers: <i>Depots</i>	Environmental waste disposal licence (tank cleaning activity)	Governmental approval document
Tank Service providers: <i>Surveyors</i>	Company accreditations and permitted regions of inspections	Governmental approval document
Tank operators	Number of tanks owned or leased	Minimum 100
Leasing companies	Number of tanks owned or managed	Minimum 500
Manufacturers: <i>Tanks</i>	Number manufactured annually	Minimum 100
	Tank types	Any
Manufacturers <i>Parts, telematics</i>	Brief outline of type of parts supplied	Any
	Regions (continents) of activity	Any
Note Questions required for ITCO due diligence, knowledge of the background of the company applying.		

Board review: After receipt of this information, the Board will then review the application

E-learning: If the Board approves the application, then Membership is subject to the ITCO E-learning course being undertaken by a senior executive in the Company.
