ITCO New Membership Declaration

I confirm, on behalf of the applicant Company, that:

1. The tank container is a significant business activity within The Company.
2. The Company is committed to high professional standards of integrity, operation, safety, security and is in compliance with all applicable regulations.
3. The Company complies with anti-trust competition legislation and its employees understand the obligation to comply with anti-trust competition laws in their entirety. The Company representatives involved or attending ITCO will be additionally trained in the requirements of ITCO “do’s and don’ts” and at no time will discuss with competitors or exchange any information not in conformity with the Law. This includes not discussing Prices, Production, Rates, Market Procedures and ensuring compliance in Oversight, Record Keeping and Vigilance.
4. The Company agrees to abide by ITCO Articles of Association.
5. The Company operates to a recognised quality management system. Note: In lieu of the required recognised quality management system the Board of Directors may accept, at its sole discretion, documentary evidence that preparation to obtain a recognised quality management system is underway and will be completed within 24 months or documentary evidence of an alternative suitable quality system that is provided by The Company for review by the Board.
6. The Company will pay its Membership Fee within 30 days of receiving the invoice. I understand that late payment of invoices may lead to my Membership being withdrawn.
7. The Company understands that ITCO membership is subject to The Company continuing to maintain the standards required by this application.
